TIMELESS TREASURES

A winter's portrait, so bountiful,
Nature's gift indeed ...
Though lurking are the lifeless flowers
Returned to earth as seed.
All sacred gifts sent unto us
Are made by God's own hands –
And always, they are precious ones
To love just as He plans!
While lilies in the valley rest,
And clad are crystal trees ...
A lifeless day revives the soul
Through snowflakes on a breeze.
These heavenly troves to come our way,
So beautiful, big or small ...
Will touch our lives thru each new day –
God's gifts...they're best of all!
